Community Development Coordinators Peer Session

September 23, 2022

Agenda

Theme

Strengthening connections and reinforcing the bridge between coordinators old and new

Agenda

9:00 – 9:30 a.m. **Introductions**

We'll take a quick moment to check in with each other, see how we are doing, and mention one thing from the Assembly or preconference that has struck us so far.

9:30 – 10:15 a.m. **Digging Deeper**

Breaking into small groups, we'll dig deeper into who we are as people and Community Development Network (CDN) members. We'll talk about our strengths, our weaknesses, our challenges, our favorite ice cream and what topic(s) your NASAA peers can turn to you for help on.

10:15 – 10:30 a.m. **Break**

10:30 – 11:30 a.m. **Shared Wins**

We'll break out into small groups based on regional arts organization region so that you can get to know the community development coordinators (CDCs) from nearby states and jurisdictions. In those discussions we'll discuss the wins and/or solutions our agencies and states made room for. We will then share out with the larger group by region.

11:30 a.m. – 12:00 p.m. **Where To Next**

We'll finish the peer session with a discussion on what the CDN would like to accomplish over the next year. What topics do we want to explore? Do we still want to meet monthly online? Is there a larger project we want to tackle as a cohort?
